

Irwin Insights ~ Custom Design Your Master Certification Program

Design your own course of study by achieving and *accumulating credits* from the most appropriate Skills Certificates aligned with your personal goals.

Each Skill Certificate of Achievement = 1 credit.

Level 1 Master Certification requires 10 credits.

Level 2 Master Certification requires 15 credits.

Level 3 Master Certification requires 20 credits.

Level 4 Master Certification requires 25 credits.

Below are examples of how a variety of people with different interests can custom design their own Certification Courses.
